

## RECENT OPERATIONS

By Paul Rardin

Some wisecracks asked the other day if all the Pahokee policemen had gone to work for the Florida Power and Light company. He pointed out that all the cops are wearing the initials of the power company manager on their shoulder patches—P. P. D.

## Methodist Revival Scheduled Sunday Morning At Eleven

The revival meeting at The Methodist Church, Pahokee Florida, will begin Sunday morning Feb. 17, at eleven o'clock with Rev. and Mrs. R. L. Flowers leading in the work. The church is fortunate in having these fine people of God in this campaign for Christ. Mr. and Mrs. Flowers are nationally known as two leading Methodist evangelists. They come from Goldthwaite, Texas. It would be hard to find two more consecrated and efficient religious workers. They hold meetings all over the United States and are in position to give great leadership in a revival. It must be borne in mind, however, that they cannot do all the work. They have their part to do, and the people have their part. All depending upon God to give us the increase.

The meeting will run for two weeks and three Sundays, closing on March 3rd. Services will be held each night, song service beginning at 7:30 and preaching at 8:00 p. m. We extend a cordial welcome and invitation to all churches and friends of the churches to come and worship with us in these meetings. All singers who will be so kind to come and help us in the song service will find a hearty welcome in our choir. We appeal to every praying person in the town to be so generous in their sympathy as to pray much for the success of the revival in bringing people to God.

T. A. Ferguson, Pastor

## Chicken Pileau On Saturday, March 2 For Scout Benefit

On Saturday Night, March 2, Pahokee Boy Scouts will sponsor a Chicken Pileau supper at the Woman's Club building in an effort to raise money to buy new uniforms. Scouts will have tickets on sale on the street before the event takes place, it was pointed out by Jack Phillips, Scoutmaster. Tickets will sell for \$1 and will entitle the holder, to pileau and all the trimmings.

## Breezy

(Editor's Note: We're not sure just what happened to Breezy this week. It is barely possible that one of those policemen in Pahokee got hold of him. Then, too, there is a remote possibility that he encountered Mr. Big or Mr. Bigger, therefore is unable to use a typewriter. Anyway, we are making an effort to locate him and we sincerely hope that next week his column will fill the usual spot in this newspaper.)

Mr. and Mrs. Kenneth Cooksey returned to their home in Monticello, Fla. Tuesday after a visit with her mother, Mrs. J. S. Harrington at Port Mayaca.

## Sea Scouts Overhaul And Paint Boat

The Canal Point Sea Scouts are busy this week overhauling their boat. It is being scraped and will receive a new coat of paint. The motors were recently reconditioned. The seats of the boat are being upholstered by Wally Githens of Wally's Upholstery Shop in Canal Point. Wally is doing the work for the Scouts without charge.

## Pahokee Teeth Are Hard To Beat, Inspection Shows

In a recent survey sponsored by the West Palm Beach Kiwanis Dental Clinic Dr. Sturum of Detroit made a statement that he was of interest to folks in the Glades. Dr. Sturum visited the schools in Palm Beach county and after completion of his inspection stated that boys and girls in Pahokee schools had the best teeth that he had seen in his inspection trip. He pointed out that they were well cared for and that close inspection showed them to be "in all 'round better condition" than in any other school he visited in the county.

Local folks have been trying to figure out why teeth in the Pahokee area are better than in any other section of the county. Some sage advanced the idea that it was possible that the boys and girls eat plenty of green snap beans and that whatever is in green snap beans keeps their teeth in good condition.

There is no dentist in Pahokee.

## Bible Class Seeks Larger Enrollment

The objective enrollment of 200 of the Pahokee Men's Bible Class is rapidly reaching attainment with 5 uniting last Sunday, bringing the membership to well over 100. Capacity attendance is the joy of the class these days. The present series of lessons on "The Children of Israel" by the teacher, Rev. C. A. Moberg, is resulting in much favorable comment, especially in view of the comparisons brought out as berfiting the events of this present day.

Next Sunday "The Responsibility of a Great Heritage" will be discussed, with emphasis on the origin and meaning of American Democracy. What about Lincoln's Gettysburg address? How about Josef Stalin's address as of a few days ago? What did he mean by those scientists' of abroad? His five year plan? Russia's desire and plan to keep him alive at least 150 years? Communism the future government of the world? American form of government the cause of the world war? These and other points of Stalin's address will be considered in keeping with the Bible thought for Sunday.

Additional chairs will be provided for the anticipated large attendance in view of this particular discussion, timely, thought-provocative and factual. The Class Quartet will favor with two selections. An inspiring song service will be conducted by R. Cowart. L. Jaudon will preside. The class meets Sunday at 9:45, Lions Building. A most cordial invitation is extended to all unaffiliated men, visitors and service men, in and out of uniform.

## NEW UPHOLSTERY SHOP OPEN IN CANAL POINT.

Wally Githens is opening a new upholstery shop in the building formerly used as the Canal Point Woman's Club. Wally plans to make seat covers for cars and do other up-to-date upholstery. Until he get squared away his hours will be 7 p.m. until midnight.

## Nursery In Need Of Financial Aid If It Operates

The Pahokee Nursery in the past has had federal assistance and carried on in admirable fashion. Beginning tomorrow, Feb. 16—all federal aid will be cut off from the institution and the Nursery, if operation continues, must be financed locally.

Those interested in operation of the Nursery have said that plans will be made whereby help will be asked of the civic clubs after Feb. 16. The price for keeping children will, necessarily, have to be raised, it was pointed out by Nursery officials yesterday.

Rent on the building—\$40 per month—is being donated by Mrs. Harley Williams with the understanding that at least a like amount, will be forthcoming from charitable sources to aid in operation of the plant. Prices for keeping children will be \$1.00 a day or \$5.00 per week, officials of the Nursery said.

During the time that federal aid was forthcoming there were certain rules and regulations that had to be met. One was that all children kept in the Nursery must have working mothers. Now, under the new set-up children will be kept in the Nursery and the only rule will be that his keep must be paid for at the regular rates.

## 24 Unit Tourist Court Going Up

Piling were done last week by workmen on the new tourist court being erected on the Pahokee-Canal Point highway by Van Stuckey. Sand and rock are on the ground and work will begin at once on construction of 24 units 12x24 feet. The units will be built of concrete blocks, Mr. Stuckey said and he hopes to complete the court at a cost around \$15,000.

The units will contain all tile baths with hot and cold water. They will be plastered on the inside and stuccoed outside. Mr. Stuckey said each unit would have a flat concrete roof. The units will be placed in horseshoe shape with entrance on the east end of the court. The court will extend all the way from the Pahokee-Canal Point highway to Lake Front Road.

## New County Road Work Progresses

Work is progressing satisfactorily on the county cut-off road in Pahokee to the State Farmers Market, according to County Commissioner Paul Rardin under whose supervision the road is being built.

The road leaves the Pahokee-Canal Point highway at the Legion grounds and runs across the muck one mile to the recently constructed State Market road.

More than 9,000 yards of native rock have been hauled onto the roadway and this week 1200 yards of Ojus rock are being put on for a finish. Just as soon as the Ojus rock is in place the surface will be shot with oil and slagged, making it one of the finest hardsurfaced roads in this section.

Where the road approaches the railroad near the market it was necessary to build two bridges—one for the traffic on the new hard surfaced road and another to take care of the tractors. The tractor bridge is located just a few feet south of the other bridge, Rardin said. It is hoped that the road will be open to traffic in a couple of weeks.

## Scout Window Wins Favorable Comment

A very attractive Boy Scout window has been seen at Kahn's Store in Pahokee this week. The Scouts carried the materials to the store and the genial Mr. McIntosh decorated the window for the boys. Much favorable comment was heard during the week while the window was in. The window was prepared in keeping with Boy Scout Week—Feb. 8-14.

## Number Of Regular Clerks Increased At Pahokee P. O.

The Post Office Department has increased the number of regular clerks at the Pahokee Post Office from three to four effective March 1, 1946. Mrs. Lila D. Jaudon, who has been employed in the Pahokee office for a little over two years, will be recommended to fill the position. This will not actually increase the number of employees, as it has been necessary for the past two years to use two substitutes inasmuch as three regular clerks have been inadequate.

At the time Postmaster Ed Jensen took office, Nov. 1, 1940 the complement of regular clerks was increased from two to three and the office has been operating with this number since that time. During this five year period the gross receipts of the office have increased from \$12,282.13 for the calendar year of 1940, to \$18,743.40 for the calendar year of 1945. This represents an increase of a little over 50 percent.

## New Bulldozer Is Bought For Dis

On a motion by Commissioner Paul Rardin and passed unanimously, county commissioners on Monday of this week in regular session purchased from the Clewiston Motor company a bulldozer which has been assigned to work in the Glades section of Palm Beach county. The new bulldozer and a new dragline, also purchased from the Clewiston concern, are expected to be delivered just as soon as the strike situation clears up in the industrial centers.

## No President's Dinner This Year

CLEWISTON—Shortage of hotel accommodations, a common complaint throughout South Florida this year, has caused cancellation of the annual dinner given during February by Clarence R. Bitting, president of the United States Sugar Corp., in honor of the company's key personnel.

Attended by business, agricultural and political leaders of the State and nation, the dinner has become an Everglades institution. Bitting said he was reluctantly forced to announce the cancellation because over-crowded conditions which have prevailed at the Clewiston Inn since early fall would make it possible to care for the many guests who attended each year.

To replace the dinner, a barbecue may be held at the end of the sugar harvest season in the spring if food supplies are available at that time, Bitting said.

Mrs. G. L. Sims returned to her home in Canal Point Friday after spending several days with her mother, Mrs. E. B. Alston in Richmond, Ga. She was accompanied on the trip by her brother Dave Alston of Clewiston.

Miss Louise Sims, a junior at FSCW at Tallahassee, spent the past week end in Canal Point with her parents, Mr. and Mrs. G. L. Sims. She returned to school Tuesday morning.

## Albert Gant Seeks Re-Election May 7 As Chief Of Police

Albert Gant, chief of police in Pahokee, today announced his candidacy for re-election subject to the action of voters in the coming annual election, scheduled for Tuesday, May 7, 1946. Mr. Gant is finishing one term as chief of police and is the second man to announce for the job for the forthcoming term of two years. A. E. Morgan announced and qualified recently for the same job.

Mr. Gant has served Pahokee and its citizens for two years as police chief and before taking that position Mr. Gant served the Pahokee and Canal Point section as constable for four years.

In commenting upon his candidacy Mr. Gant said: "I feel that during past two years we have had efficient law enforcement in Pahokee and I am offering my candidacy for re-election upon the record I have made in office. In the future, as in the past, I shall at all times work for the betterment of Pahokee and its citizens-taxpayers."

## Lions Will Build New Meeting Place

Pahokee Lions at their Tuesday luncheon meeting voted to sell their present clubhouse, which has become too small to adequately take care of club activities, and build a new one. The new building, 60 by 100 feet, as materials become available.

As a site for the new building a 60 by 100-foot lot, located at Northeast First Street and Third Avenue adjoining the J. C. Mock property, is being purchased by the club. Rupert Mock announced that the Lions will entertain Pahokee and Belle Glade High School football squads at an oyster and chicken fry and outdoor party at St. Lucie Canal Thursday evening. Jack Bell, Miami Herald feature writer, will be guest speaker. The Lions and their guests will gather at the Lions Hall at 6:30 and go in a group from there to St. Lucie. Committees in charge of arrangements include Rupert Mock and Steve Brown, general chairman; Jerry Gold, lighting; Marvin Levins, cooking; Gordon Hillier, wood and tables; M. L. Keen and Duncan Padgett, ice and food.

John E. Williams, A. McIntosh and Paul Tillery were welcomed as new members of the club introduced to other members by Frank Rozelle, program chairman.

## Veteran Gets 100% GI Bill Assistance

A complete 100 percent construction loan—enough to buy the lot and build the house—arranged under GI Bill of Rights provisions has been issued to a West Palm Beach veteran, Thomas E. Duffey, entomologist for Palm Beach County.

The loan was made by the Lake Worth Federal Savings and Loan Company and R. E. Branch, secretary-treasurer said it is believed to be the first of its kind granted to any West Palm Beach veteran.

Mr. Branch said the plan "is the finest loan plan ever devised and is practical and workable", although it is difficult to complete under present conditions.

Because of the expected volume of the Lake Worth office will be unable to service any additional loans in West Palm Beach but will endeavor to accommodate such loans from Lake Worth to Boca Raton, Mr. Branch said.—Palm Beach Post.

## Nightmare

We have just heard a high school student make a speech (prepared in advance, of course) about how the newspapers were chiefly responsible for juvenile delinquency because they kept putting these things in the paper and giving other boys and girls "ideas". And we went home and took a nap and had a terrible nightmare.

In this nightmare, the newspapers didn't print a word about any of the misdemeanors that were committed in the community, so naturally nobody was aroused about it. The community slept peacefully while things went from bad to worse, until something really awful happened and nobody could keep it a secret any longer.

And then the people up and down the streets began screaming, "Why were we not told about these things? What right had the press to hide them from us? Does it consider us children, that we mustn't know the truth, even if it is unpleasant? See how we could have dealt with this growing menace, and perhaps forestalled the tragedy that has now occurred, if only the newspapers had been honest with us. For shame, for this censorship of news that the community has a normal right to know, day by day!" Well, this mob was screaming all this and pounding on our doors (in the nightmare) when we awoke, all cold and wet. And we decided to let that be a lesson to us not to take naps lying on our back (which is how we always have nightmares), especially after going to hear speeches by high school students.—Des Moines Register.

## Poultry Problem

It's interesting to read that the poultry breeders of the land have decided to do something about the chickens for Sunday dinner. It's a little too much to expect that we shall have birds with half a dozen drumsticks so the whole family can be satisfied at once. After all, it's good memory practice for the youngsters to remember whose turn it is to have the drumsticks.

But the poultry raisers have decided to breed a strain of bird with thicker layers of white meat and more dark meat. They propose a chunkier, plumper bird so that less weight will be taken by a large, rangy frame. They want heavier, meatier wings so that people will be as eager for the wings as they are for the drumsticks.

We regret that so far as we can discover nothing has been contemplated regarding a shorter neck and the reduction in size of the part at the other extremity. And now that milk is coming in square bottles the better to utilize the space in the refrigerator, perhaps, we can logically look forward to square eggs that can be stacked in geometrical precision. Now that we have aromaless onions and pink grapefruit, it's quite possible that square eggs may be next on the agenda of science.—Pepper and Salt.

## Strawberry Festival At Bowling Green

**BOWLING GREEN**—The first post-war Hardee County Strawberry Festival will be held in Bowling Green the week of March 4-9. F. A. Albritton, General Manager, announced last week.

The Strawberry Festival has

been an annual event for the past twenty years except during the war years when directors thought it would be inappropriate to schedule a festival. Manager Albritton promises display booths, exhibitions, carnival attractions and sensational acts which will make this the best Festival ever held in this section of Florida.

## Entertains For Maryland Friends

Mrs. E. L. Pope entertained with a bridge party at her home on Bacon Point Road in Pahokee Wednesday night in honor of her guests, Mrs. Polk and daughter, Miss Norma, of East Shore, Maryland, who are wintering in Palm Beach.

The Valentine Motif was carried throughout the party and roses, glads, and carnations were used for decorations. Each party guest was presented a Valentine sachet.

After three progressions of bridge prizes were awarded to Mrs. A. L. Beverly, winner of high score prize and Mrs. Ellis Walston winner of second high and Mrs. Otto R. Bleech winner of low. Mrs. W. H. Jones won the cut prize. The honorees, Mrs. Polk and her daughter received guest prizes.

Orange juice and Coca-Cola were served during the playing. Delicious shortcake and coffee was served following the playing.

Guests for the evening were: Mrs. W. H. May, Mrs. Harley Williams, Mrs. Robert Chamberlain, Mrs. W. H. Jones, Mrs. T. S. Kirk, Mrs. A. L. Beverly, Mrs. Max Beverly, Mrs. Rodolph Faulk, Mrs. Sam Mosley, Mrs. H. M. McIntosh, Mrs. R. G. Johnson, Mrs. Wallace Pope, Mrs. Frank Shaughnessy, Mrs. Frank Colson, Mrs. I. M. Lair, Mrs. Otto R. Elmore and Mrs. Pete Chiviges were tea guests.

## Flat Rate Set For Club House Rental

Members of the Pahokee Woman's Club, at a luncheon meeting in the clubhouse to charge a flat rate for the rental of the clubhouse to all groups and organizations.

Mrs. B. J. Barwick, presiding officer, named Mrs. H. T. Williams chairman of a committee to raise funds for needed repairs on the clubhouse. It was announced that a County Federation meeting will be held at Belle Glade on Mar. 7. Local members planning to attend must make reservations with Mrs. R. J. Schroder before Mar. 7.

On the program Mrs. C. A. McIntosh and Mrs. Pat Schoepel gave brief humorous talks. Mrs. C. S. Brown, Mrs. Billy Rogers and Mrs. J. E. Cochran, Jr., were guests.

Luncheon arrangements were under the direction of Mrs. R. F. Hurt, assisted by Mrs. Vinson Henderson. The group voted to conduct another luncheon meeting on Feb. 26.

## Life On The Campus

### AT PAHOKEE HIGH SCHOOL

Our trip to the Fair at Tampa: We left Pahokee about 7:15, went through Okeechobee, Lake Wales, Ybor City and into Tampa. We arrived in Tampa about 1:30. The Busses were parked near a service station about eight blocks from the gate. Since we were members of the F. F. A., we were admitted at a side gate, free of charge. On going through the gate, we saw one of the busiest places ever seen. The grounds covered some sixty acres.

A freak show, midget show, and the fat woman occupied the center of the west side of the midway. Octopus, moon rocket, electric cars, merry-go-round, ferris wheels, midget airplanes, concessions, etc., occupied the center of the midway, and other devices filled the east side. Exhibition buildings and grandstands took up the north and south sides. In the exhibition buildings were agricultural exhibits, future automobiles, home appliances, wild life, and army equipment (American and German). Among the captured German equipment was Herman Goering's private car—one in which he surrendered.

The American army had radar

units, antiaircraft guns, jeeps, tanks, tank salvage units, and many other interesting things. We met at the busses, which in the meantime had found space to park about five blocks from the main gate. We then took a bus to MacDill Field, where we had to wait until 1:30 P. M. to cut the army red tape and check out bedding. Finally we got to bed about 2 A. M. Sunday. We got up about 7 Sunday and ate breakfast in the army mess hall. Waiting until nearly 11 A. M. for the busses one of which had had a flat tire, we left for home, coming through Wauchula, (where we ate lunch) Arcadia, Okeechobee, and Canal Point. The busses arrived in Pahokee at 4:30 P. M., where everyone disembarked, happy and tired.

The Seniors have received notice that their invitation cards for graduation are here.

There was a meeting of classroom teachers in Belle Glade last Saturday. Those attended the meeting and luncheon from Pahokee High School were: Miss Mary Solick, Miss Barbara McNamara, Mrs. W. M. DuBose, Mrs. Robert Douthitt, Mrs. Phara Mock, Mrs. Thomas, Mrs. Francis Harlow, Robert Lampi and Carmen Salvatore. Those attending the meeting praised enthusiastically the hospitality offered by Belle Glade,

especially the luncheon served by the seniors and gifts of vegetables for the visitors.

### PAHOKEE BAPTIST CHURCH

Capacity congregations attended the services conducted last Sunday by the First Baptist Church of Pahokee. The pastor, Rev. C. A. Moberg's series of sermons on "The Sermon on the Mount" and "The Baptist Articles of Faith", morning and night, respectively, are proving of interest, if attendance is a criterion. This Sunday morning at eleven, Matt. 5:27-32, involving the matter of divorce, a difficult subject to be sure, especially in view of present trends, will be considered. At night, 7:30, the 6th Article of Faith "The Freeness of Salvation" will be preached. The Illuminated Cross Meditation Sing will be presented. The usual, unusual program of music by the large chorus choir, orchestra and quartets will be rendered.

## Stewart Has No Opposition In Hendry

The possibility of opposition to Rep. Elbert L. Stewart for re-election as Hendry County's representative to the 1947 session of the State Legislature failed to materialize and the deadline for qualifying last Friday passed without any contest.

This gives Mr. Stewart the Democratic nomination as representative which, in Florida, is the equivalent of election to his eighth

## Met Monday M.

The Lottie Moon Circle, First Baptist WMU, conducted a royal service program at the church Monday afternoon. The program was presented by Mrs. Albert Snyder, assisted by Mrs. J. C. Mock, Mrs. E. E. Coleman, Mrs. L. G. Alderman, Miss Elizabeth Caraway and Mrs. L. M. Mullis. Mrs. Margaret Thompson led the devotionals. It was announced that the group will meet at the home of Mrs. J. C. Mock for a mission study Monday afternoon at 3:30. All women of the church are invited to attend.

### BINGO PARTY

The BFW Club of Pahokee will hold an invitational supper and bingo party next Tuesday night, Feb. 16, at 7:30 o'clock in the Woman's Club Building.

Local citizens appeared before the Pahokee City Council at the regular meeting Tuesday night to request assistance from the city for the continued operation of the Pahokee Day Nursery. Inasmuch as federal funds for the nursery have been discontinued it has become necessary to find another source of support. Mrs. Lily Regester, nursery manager, and parents who send their children of pre-school age to the nursery while at work, told the council of the need of the nursery and the importance of its continuation. As a temporary measure the council voted \$125 to keep the nursery in operation for another month at the end of which time the matter will again be brought up for consideration.

An ordinance was passed requiring taxicabs operating within the city limits to be adequately covered by liability and personal property damage insurance.

A plat of a new proposed subdivision in the Southeast section of Pahokee filed by Mrs. B. Elliott and known as the Velva Elliott Addition was approved by the council.

Lt. Everett Busby of Brookhaven, Miss., visited his uncle and aunt, Rev. and Mrs. T. A. Ferguson, in Pahokee over the weekend. He has been in the service four years and spent three years overseas in ETO. He is now stationed at an army hospital in Coral Gables.

Mr. and Mrs. George B. Ramey have as guests Mr. Ramey's brother-in-law and sister, Mr. and Mrs. E. L. Wallace and children, Keith and Nancy Ruth, of Ames, Iowa, and Mrs. Ramey's nephew and wife, Mr. and Mrs. B. W. Miller, of Granby, Conn., and Mr. and Mrs. L. B. Miller of Simsbury, Conn.

### ADVERTISEMENT FOR BIDS TO WHOM IT MAY CONCERN:

Please be advised that sealed proposals will be received by the Board of Supervisors of Brown Drainage District at the office of the South Florida Conservancy District, Belle Glade, Florida, at 3:00 P. M. on Monday, February 18, 1946, for:

1. Excavation of approximately 300,000 cu. yds. of peat material within Brown Drainage District incident to the construction of lateral canals, laterals, field ditches and levees, and
2. To perform other incidental work, including clearing, core ditching and cleaning existing ditches.

all in accordance with plans and specifications to be supplied to all prospective bidders upon request made to the Chief Engineer, Brown Drainage District, Box 1662, West Palm Beach, Florida.

All work to be constructed by work-units involving excavation ranging from approximately 16,000 cu. yds. to approximately 33,500 cu. yds. and schedules of time for completion ranging from 30 to 60 days. Approximately 33 percent of work to be completed by April 15, 1946, 80 percent to be completed by June 15, 1946, and the total completed by August 15, 1946.

Said proposals to be opened at a special meeting of the Board of Supervisors to be held at the offices of the South Florida Conservancy District, Belle Glade, Florida, at 3:00 P. M. on Monday, February 18, 1946.

The Board of Supervisors reserves the right to accept the proposal of the lowest responsible bidder, or to reject any or all proposals; to waive any informalities in any proposal; and to readvertise for other or further bids.

## YOU'LL ENJOY THESE... TWO REGIONAL FAVORITES

### BAKED BASS

**RECIPE:** Select one 5-lb. fish or two small ones. Dry Red Bass or fresh water Black Bass fillets. Dry fish thoroughly; salt, pepper, and roll in flour. Then place in a shallow baking dish or pan and cover with small pieces of butter. Squeeze the juice of two fresh, Florida grapefruit (juice) and add a little canned, unsweetened grapefruit juice and paprika. Sprinkle generously with paprika. Place in 425° oven for ten minutes; reduce temperature to 350° and continue baking 35 minutes longer. When done, place on large platter, garnish with slices of hard-boiled egg, parsley, and tomato. Serve with ice-cold, delicious JAX! Serves: 8.

JAX has mailed \$5.00 to Mrs. Walter C. Preston, 3577 Boone Park Avenue, Jacksonville, Florida, for this delightful regional recipe. Send us your regional recipe suggestion. If published, \$5.00 will be paid for its use. Address: Recipe Editor, JAX Brewing Co., Jacksonville, Florida.

## Business Circle Met Tuesday Eve

One of the most inspiring meetings of The Business Woman's Circle of the W. M. U. of the First Baptist Church, Pahokee, was conducted on Tuesday night at the home of the pastor with Mrs. C. A. Moberg, hostess. The devotional

period was conducted by Mrs. O. O. Gilbert, chairman of the Circle, based on Psalm 50:14-19 and Isaiah 60:1-5. The program, "Signs of Spiritual Awakening" was presented by the Mesdames H. L. Speer, Pat Schoepel, R. S. Douthit, C. L. Shirley and H. S. Barnes, leader.

An offering of \$25.65 was received for the general missionary

endeavor of the group. An additional \$20 was presented to Mrs. C. A. Moberg for the Platform Furniture Fund of the new building, bringing the total to \$71.50. This represents the gifts of the W. M. U. in its entirety. Following the program, Mesdames Sam McKinstry, Sr., W. A. Keen and G. C. Tate were recognized as the special guests of the evening by Mrs. Pat Schoepel, chairman of hospitality. Corsages of sweet peas were presented.

In keeping with the atmosphere of Valentine, refreshments of ice cream and strawberries, cookies and coca colas to the accompaniment of a Valentine box of candy were served to the following: Mesdames W. Tills, W. R. Kaufman, W. A. Keen, W. M. DuBose, R. S. Douthit, Seth Roberts, H. L. Speer, H. S. Barnes, R. E. Adams, G. F. Kincaid, C. L. Shirley, C. B. Starling, L. W. Connell, E. Jones, M. Brantley, G. C. Tate, O. O. Gilbert, T. W. Knight, R. L. Parker, O. Boe, Sam McKinstry, Sr., W. Acree, Pat Schoepel, W. H. Kemp, D. W. Young, C. A. Moberg and Miss L. Langford. Vera Keen, Bobby and Buddy Moberg assisted in the serving. This constituted an attendance of 30, the best in the history of this Circle.

Mr. and Mrs. W. M. Gundlach and daughter nad Mr. and Mrs. Billy Willingham have returned to Jacksonville after a visit with Mrs. Gundlach's brother-in-law and sister, Mr. and Mrs. Raymond Caruthers in Pahokee.

Mr. and Mrs. Pete Chiviges have as a guest J. Zerilli of Detroit, Mich.

"We believe that the blessings of salvation are made free to all by the gospel; that it is the immediate duty of all to accept them by a cordial, penitent and obedient faith; and that nothing prevents the salvation of the greatest sinner on earth, but his own inherent depravity and voluntary rejection of the gospel; which rejection involves him in an aggravated condemnation."

## Cinematic Chatter

By Malcolm Millar

Lovely Dorothy Lamour lends her charm and beauty to a very entertaining story, which will be screened at the Prince Theatre this coming Sunday-Monday, assisted by a very personable leading man, Arturo Cordova.

The picture is "A Medal For Benny" and it tells the story of a war hero, awarded the Congressional Medal of Honor and how this award affected the townspeople, especially his girl friend, who happens to be Dorothy. The picture has a novel story, it is well supplied with romance, humorous situations and action, so I don't see why it shouldn't prove just the sort of show you will enjoy.

Tuesday - Wednesday Zachary Scott and Betty Field do a very nice story by George Sessions Perry, (which was issued in novel form under the title "Hold Autumn in your hand"), but comes to the screen under the title "The Southerner". It is a rural story and has a few very thrilling moments during its unrelenting. I think you'll like it.

George Sanders, with Ella Raines for his leading lady, is on this same bill doing a story under the title "Uncle Harry". The story is novel enough, and with these two well known, liked and talented stars there isn't any reason why this should not be a show that all can enjoy.

For the Thursday-Friday screening we find the first picture up is "The Man who Walked Alone", which stars Kay Aldrich and Dave O'Brien. This one tells one of the strangest tales ever brought to the screen. There is not a moment in the film that is not suspenseful, and I'm sure you will get a great bang out of this show.

On the same program comes a very much talked of picture. Life Magazine, Look and Sunday supplements of America's leading newspapers carried story and pictures of this very clever show. The show is "Salome, Where She Danced," and the stars are Yvonne De Carlos and David Bruce. You really should see it.

"Border Town Trail" is the Saturday show with Smiley Burnette and Sunset Carson. It is a well actionated show with a new Western star.

See you at the movies—Mal.

### SCHOOL HOLIDAY

## Florida State Fair Draws Big Crowds

TAMPA — The Florida State Fair, continuing to shatter national attendance records for state expositions, swings into the last lap of its 11-day run with closing day, Saturday, designated as Auto Races Day.

Proof of the record-breaking attendance during the first week was provided by a spokesman of the Royal American Shows, when he stated that gross revenue from midway attractions during the first four days of the Fair exceeded the best previous marks for a full 11-day run at the state exposition.

Thursday will be Navy, Marine Corps and Coast Guard Day and twenty-eight Navy planes will roar across the infield in front of the grandstand at 2 o'clock for a 30-minute demonstration of aerial maneuvers. The same show will be given again on Saturday afternoon.

The Army and Navy exhibits continue to draw the most spectators of any exhibits on the grounds. The Poultry Show offers the finest showing of birds ever seen anywhere in Florida. And the Livestock Building is filled with dairy and beef cattle, beautiful

Palomino horses and thoroughbred hogs.

Friday will be Hillsborough County Day and Livestock Day. While the spectacular Auto Races scheduled for closing day, Saturday, is expected to draw the largest crowds yet to attend the Fair.

Because of the tremendous crowds who were disappointed last Saturday at their inability to get seats for the races, Manager Streider announces that he has scheduled an extra day and races will be featured both Friday and Saturday, the 15th and 16th and reserved seats can be purchased in advance to avoid delay and disappointment.

Mr. and Mrs. G. M. Pool had as guests the past week their son-in-law and daughter, Mr. and Mrs. Ike Jacobs of Everglades City, their nephew, W. R. Pool, of Maccon, Ga., Mrs. L. A. Kerr of Tampa, Mrs. W. M. Matier of Miami and Mrs. T. F. Barrs of Richmond, Va.

## THE INDUSTRIAL TREK IS TO FLORIDA!

Industry has already recognized in Florida a happy combination of advantages which will go into building a prosperous industrial empire. Here are to be found a beautiful climate which will increase human efficiency to a profitable degree; advantageous location on direct air, sea, rail and highway transportation routes to both domestic and foreign markets; easy access to vast quantities of needed raw materials; an abundant and expanding supply of cheap electric power from a wide flung interconnected system; large reserves of high type of American workers and numerous excellent factory sites.

• No wonder industry looks to Florida as a new industrial center.

## FLORIDA'S NATURAL RESOURCES SAY "YES" TO INDUSTRY ON THE MOVE!

Florida has the needed essentials for industrial prosperity and its supply of raw materials offers dazzling opportunities in many fields of industrial development.

### TUNG OIL CAN BECOME A HUGE INDUSTRY...

Nearly two decades of experimentation have shown the feasibility of tung oil production in Florida for numerous commercial uses.

### FLORIDA PINE OFFERS TREMENDOUS OPPORTUNITIES

Florida's pine production has been a long established industry. New uses for pine in plastics and other industries opens new fields for expansion.

### DEHYDRATED CITRUS JUICES LAUNCHES NEW INDUSTRIES

Proved commercially possible during the war, peace time makes possible the marketing of dehydrated juices on a world wide basis.

### SUGAR AND RUM PROMISE GREAT EXPANSION

Florida's Everglades can produce many times the sugar cane now grown. Already Puerto Rican growers are establishing themselves there.

### FLORIDA FIRST IN PHOSPHATE PRODUCTION

70 percent of the United States phosphate production comes from Florida. By-products offer many opportunities.

### CORK OAK IS GETTING INDUSTRIAL ATTENTION

This new industry is designed to make the United States independent of foreign supplies and is another example of the many new industries possible in Florida.

The Industrial Development Department of Florida Power & Light Co. has prepared abstracts on the industrial possibilities of a number of Florida's raw materials. Copies can be obtained from any local manager or by writing the Industrial Development Department, Florida Power & Light Company, Box 3100, Miami, Florida.

### BUSINESS CONFERENCE

**BABSON PARK**—The nineteenth annual session of the Florida Business Conference will be held at Webber College in Babson Park on Feb. 20 and 21. Dr. Douglas Haring will address the opening session Wednesday evening at 8:00 P. M. on "The Future of Japan." The Thursday meetings will last from 9:30 A. M. to 4:30 P. M. Luncheon will be served at the college.

Mrs. H. T. Metcalf of Tampa is visiting her son-in-law and daughter, Mr. and Mrs. I. J. Frasure, Jr.

Mr. and Mrs. L. L. Shirley had as recent guests Mr. and Mrs. Vaughan Crawford of Red Bank, N. J.

## Phone Companies To Tell Of Their Shortcomings

**TALLAHASSEE**—Eighteen telephone companies serving Florida have been called on the carpet Feb. 26 by the Florida Railroad Commission to hear complaints from the public about their war-time service. The hearing will be in the Supreme Court Building, opening at 10 a. m.

In an order signed by Commissioner Jerry W. Carter, the commission told the companies of "many complaints" from all sections of Florida about service and equipment being "inadequate, inefficient and insufficient."

The order noted that "priorities established by the War Production Board and the Civil Production Administration of the Federal Government which have made it impossible during the war years to secure telephone materials, facilities and equipment will, in all probability, be removed within the near future." This removal, said Commissioner Carter in his order, should make it possible for telephone companies to replace the worn and obsolete equipment they have been forced to use in their operations during the war.

Charles Wilkinson, son of Mr. and Mrs. J. H. Wilkinson, Sr., of Pahokee was recently advanced from the rank of corporal to that of sergeant in the Army. He is now stationed at Boca Raton.

## Methodist Women Hold WSCS Meeting

At a meeting of the Pahokee Methodist Woman's Society of Christian Service at the church Monday afternoon two adults, five infants and one child were presented with WSCS life memberships. They were Mrs. R. J. Schroder, Mrs. O. B. McClure, Betty Jo Phillips, Ken Boynton Beverly, Richard Charles Keen, John Bennett Cruthird, Elaine Adams and Dorothy Adams. The presentation was made in behalf of the society by Mrs. A. D. Beverly, program chairman.

Mrs. T. A. Ferguson, spiritual life chairman, introduced Mrs. O. D. Carpenter who led the devotional program which had as its theme, "The Sin of Uselessness." Mrs. Vivian Caudill sang two vocal solos, accompanied at the piano by Mrs. Dorothy Graham.

### VISIT IN PAHOKEE

Mr. and Mrs. C. C. Clem of Montgomery, Ala., have been the guests of friends and relatives in Pahokee for several days. They are former residents and have many friends who will be happy to know that they are getting along fine in their Montgomery home. They have been gone from Pahokee nearly five years.

Mrs. Pauline Bliss and niece, Polly Lee McCrary, of Memphis Tenn., are spending two weeks here visiting Mr. and Mrs. I. J. Frasure, Sr.
